Homecoming Court 1993

Many activities will be remembered by the students of Marine City High School. One special event is the Homecoming Court. It is a great honor to be picked for the court and is a memory that will last forever.

All the events included in Homecoming were a success, the nomination of the court, the pep assembly, Spirit week, and the football game against St. Clair. It was a great week for everyone and a memory to last forever.

"LOCK EM UP"

Freshman Float

This year's freshman class pulled together to build a great float. The freshmen used team work and dedication to complete their float. "Jail House Rock" was the title, which brought the freshmen a proud fourth place.

LET'S PUT SOME

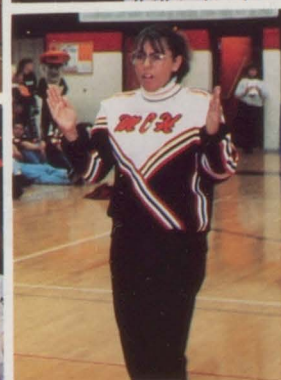

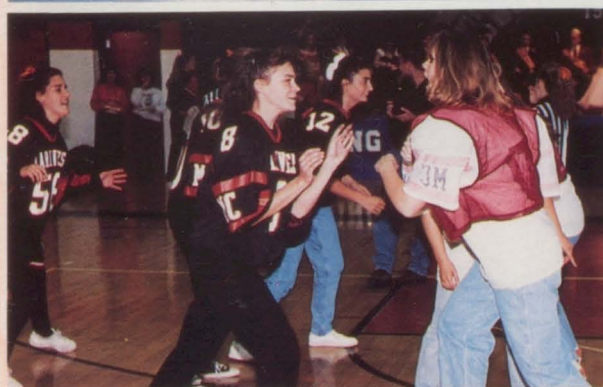

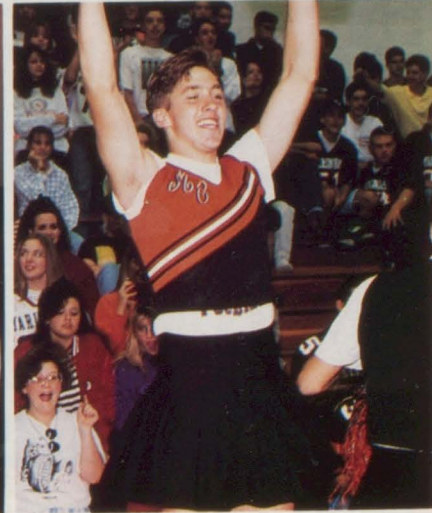

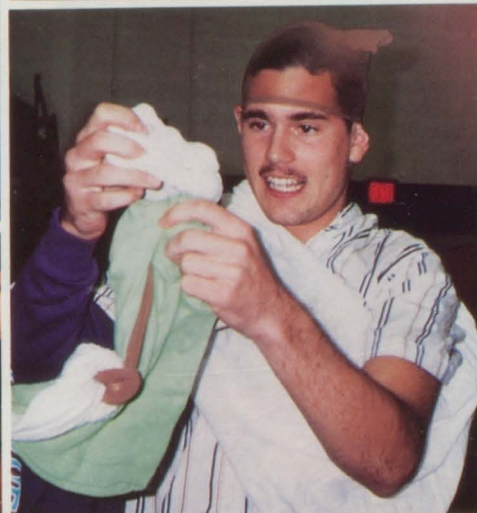

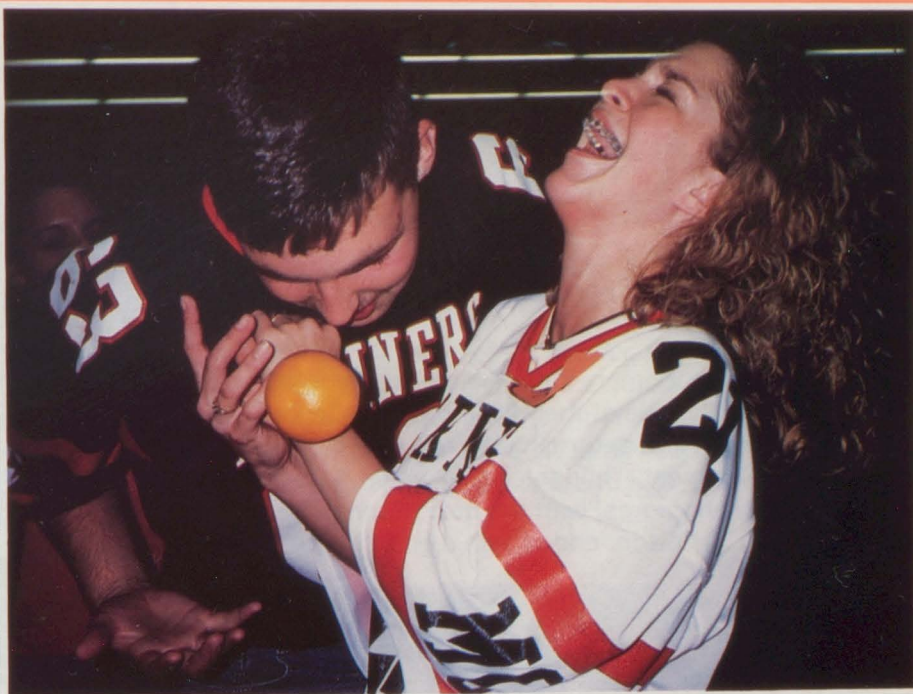

Homecoming Pep Assembly

The 1993 Homecoming pep assembly turned out to be a huge success. The entire school gave their share of spirit by cheering and some by competing in the many exciting games that the cheerleaders put together. Everybody seemed to get a good laugh whether it was at the guys that dressed up in cheerleading uniforms or at the people drowning themselves in pie. Whatever it was, it will be remembered by the students of MCHS as yet another successful pep assembly that helped lead the football team to an unquestionable victory over St. Clair.

Top: The football team shows their spirit during the assembly. Middle Left: The seniors give their last battle cry. Right: Renee Peters waits patiently for the games to begin. Bottom Left: Eric Kammer looks too evil to be a rah-rah! Right: The freshmen lost a drouling battle to the soph's.

SPIRIT IN IT!

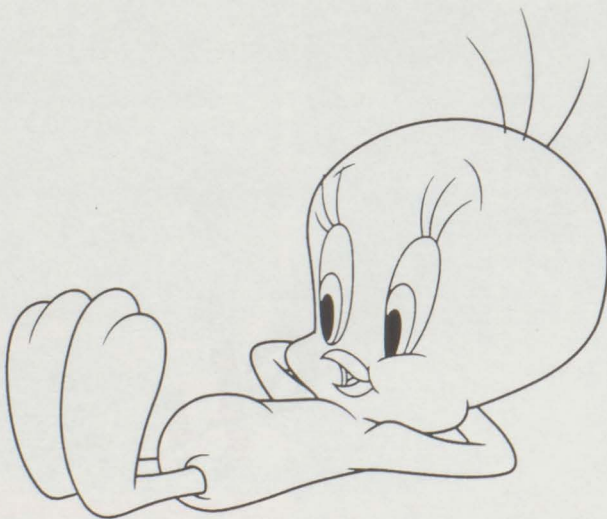

Top: L-R: Rebecca Corey tries to get the crowd into the groove. Beth Simek and Marcus Sadlowski try to keep it going. Matt Boyd works towards his second pie-eating contest victory. David Mayhew runs out of room for all those clothes. Brett Warkentien is really into the spirit. The ladies demonstrate how bad we will kick S.C.'s butt. The juniors look thrilled (NOT)! Angela Sellers shows her Mariner spirit. Eric Kammer and Shawn Sharow were among the football players that dressed up in cheerleading outfits during the assembly.

"ON TOP OF THE WORLD"

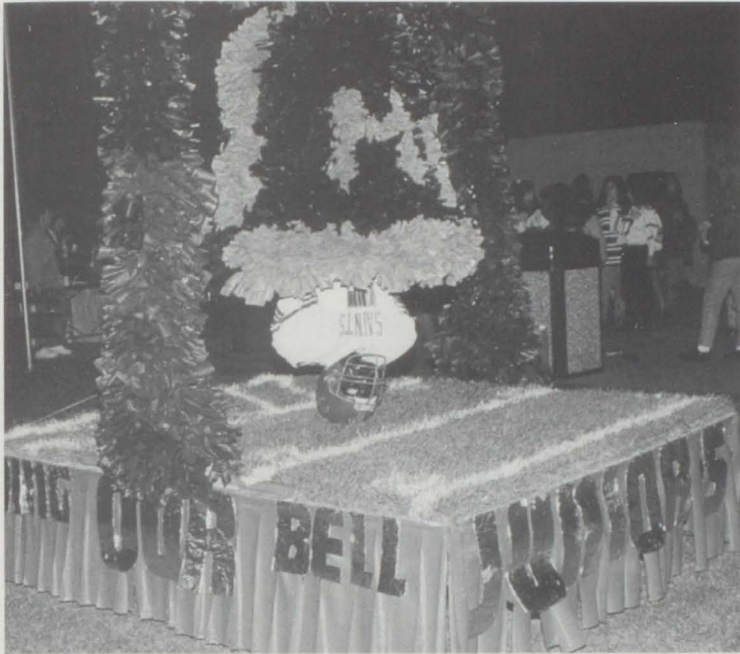

Sophomore Float

The 1993 Sophomore Float did an excellent job on their float this year. The title of their float was "On Top of The World."

Hard work and determination resulted in an outstanding accomplishment. Though ending with a 3rd place finish, the 1993 sophomores, with the help of their class adviser Dr. Nelson, ended with a great success.

RING OUR BELL #1

Junior Float

This year the class of 95 showed that they really work together as a team. Most of the Junior class showed up to put in a tremendous amount of effort. And it showed!

Mrs. Biebuyck was the class advisor for the class of 95. Her help and support was and is greatly appreciated.

KNOCKING 'EM OUT!

Senior Class Float

This year, the Senior class put together a great success. With songs as our theme, the Seniors came up with the title song from Rocky. With cooperation and determination, and the help of the Senior Class Advisor, Mrs. Burmann, the Seniors worked hard to build the best second place float ever.

TOP LEFT: Erin Phillips contributed many hours of work to the senior float. TOP RIGHT: The back of the finished float. SENIORS DOMINATE

Spirit Week

This year's spirit week brought out the participation and the humor of the student body. Spirit week included Hat and College Day, Pajama Day, Old Timers Day, Senior Toga Day/Class Color, and Black and Orange Day. Everyone tried their hardest but obviously not hard enough to beat the seniors!

The Juniors made the first two touchdowns to lead Powder Puff 12-0. Then the mighty Seniors came back to score three consecutive touchdowns, one was made from an interception by defensive end, Tonya Horner. At the end of the fourth quarter the score was tied at 20. Angie Dailey scored the winning touchdown for the Juniors in overtime. Wait 'till next year to see if the class of '95 is victorious again.

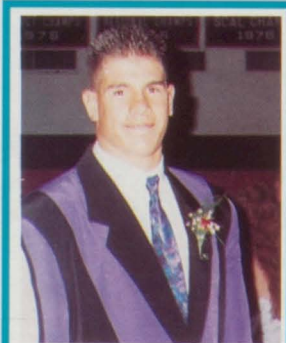

DANCIN' THE

This year, the Homecoming dance was a huge success. Over 600 tickets were sold, the gym and activities room were wonderfully decorated. Everyone had a great time dancing and being together. For many people the evening was filled with romance and excitement. Whether it was the first Homecoming dance you attended or the last, surely the memories will not fade quickly.

After many hours of hard work and not knowing if things would turn out like expected, everything was built, the hall was decorated, and a sigh of relief came from all who contributed to putting together the Jr./Sr. Prom of 1993. EASY \$

JOBS

Students at MCHS seem to be learning responsibilities early in life. Between going to school, playing sports, and being involved in extra curricular activities. Many students still find time to earn a little extra cash. Many students think that a job helps them for what is to come later in life.

WHAT TO DO

Hobbies

Every now and then people have a little extra time on their hands. How they spend that time is up to them. The annual Powder Puff game takes away from junior and senior free time. Matt Vandekerckhove enjoys showing off his bass playing skills in the band Innerfaith. Jeff Sankuer bangs away as a proud member of Innerfaith. Don Voight, along with many others, fill time with hoops. Some seniors just never grow up as Mike Gilbert and Jason Adams show off in the sand. Ross McCoy rides the bull. Ross finds that the bull was easier than the stallion. Matt Lavelly works in metalshop. Mike Guy gets bored easily. Mike Gilbert strives for the perfect body. GOOD LUCK MIKE!! Ross McCoy, Shannon Slanec, Amber Treaster, Joe Chartier, Jamie Smith and Todd Visga form the posse.

KISS AND TELL

DATING

Dating in this day and age can be pretty difficult. You have to worry about little things like if there is a piece of food in your mouth at dinner to the risk of AIDS. Asking out that certain someone cannot only be nerve-racking, but sometimes disappointing. You have to face rejection and maybe the commitment of a girlfriend or a boyfriend.

Do you think:

1. The guy should pay for the date. 90%
2. The girl should. 2%
3. Split it together. 8%

Do you kiss on the first date?

1. YES 65%
2. NO 35%

Where do you like to go on the first date?

1. Movies
2. Out to dinner

How long does it take you to get ready for a first date?

1. 1½ hours
2. 1 hour
3. 30 min.

What restaurant would you take a first date to?

1. Olive Garden
2. Mountain Jacks

When you ask a girl/boy out it is because:

1. Like them 49%
2. For friends 36%
3. Physical attraction 15%

Summertime

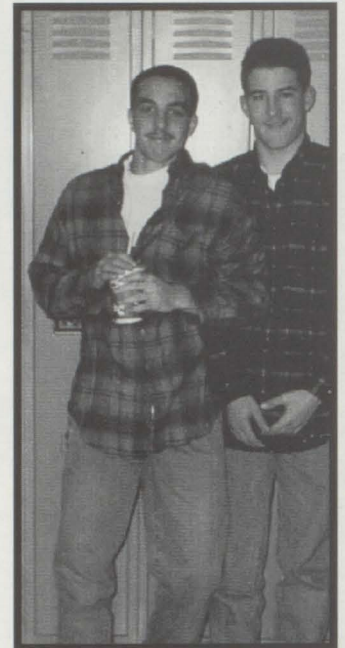

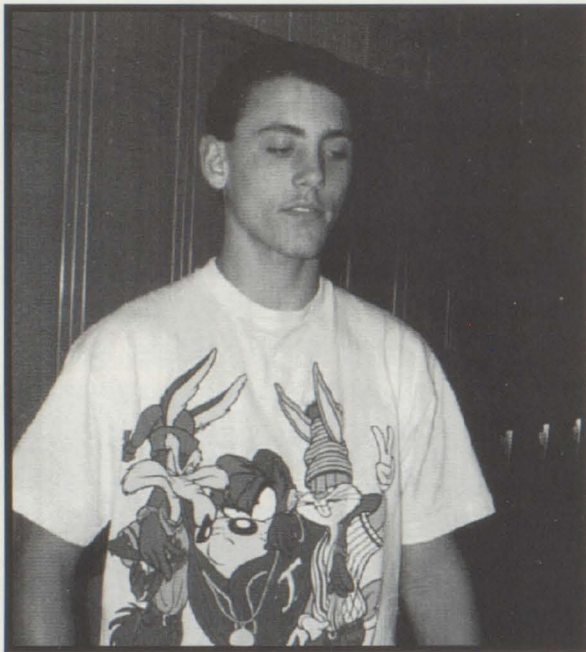

Summer Vacation

Everybody does something different for their summer vacation. Maybe you got up on your water skis for the first time. Maybe you rode a wave runner for the first time. Maybe you went bungee jumping, or maybe you sat and watched T.V. Whatever you did, I'm sure it was fun. Here are some of the things we did over the summer.

ZENA★

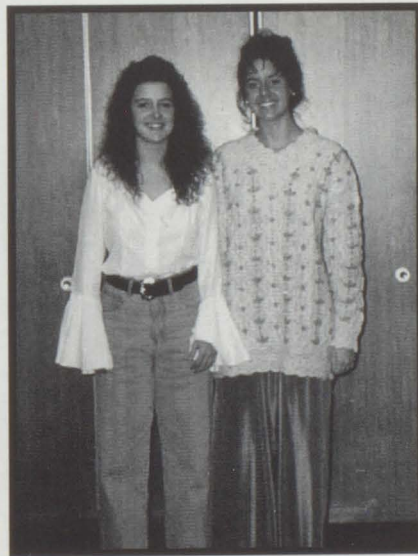

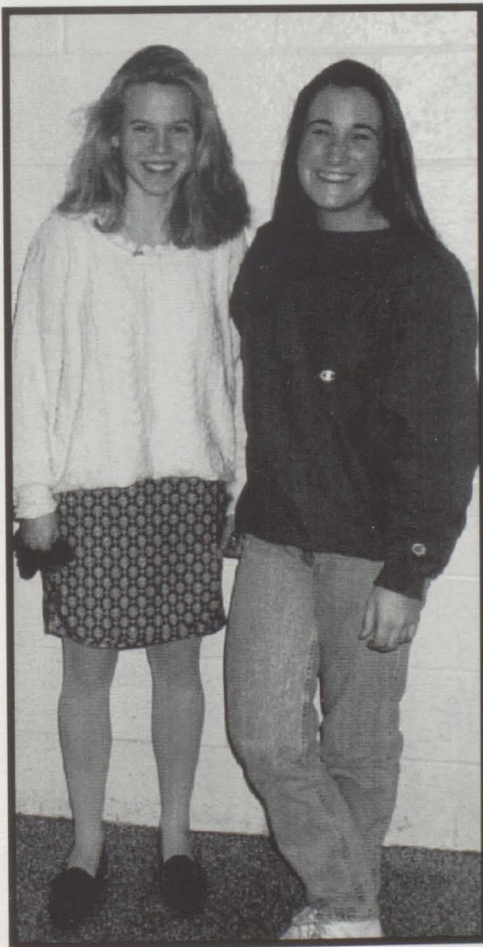

As you can see, fashion statements at M.C.H.S. can range from very unique to very subtle. There are many students that dress like everyday normal people (jeans and t-shirts), some that like to wear skirts and dress pants and a select few that dress in a more unique and extravagant way. Many students are beginning to dress in ways that their parents did in high school. Another popular fad is the Looney Tunes which can be seen on the clothes of a large quantity of not only students, but teachers too. Champion, Guess, and Polo are also clothes that seem to be in fashion at M.C.H.S.

From bell bottoms, chokers, to clear shoes. Who knew such a wide selection of styles were worn among Marine City High School students. Tattoos to perfectly painted finger nails. Crazy sox and Doc Martins are the necessary equipment for any trendy style.

MUSIC

In this day and age of being a teenager, there are so many influences and different kinds of music we listen to. The majority of the best bands this year came from Seattle. At M.C.H.S. there is not just one popular kind of music. There is rap, alternative, hard rock, and country. Marine City is made up of so many unique people that it is hard to categorize the kind of music people listen to. These are some of the most popular during the 1993-94 school year.

YEARBOOK

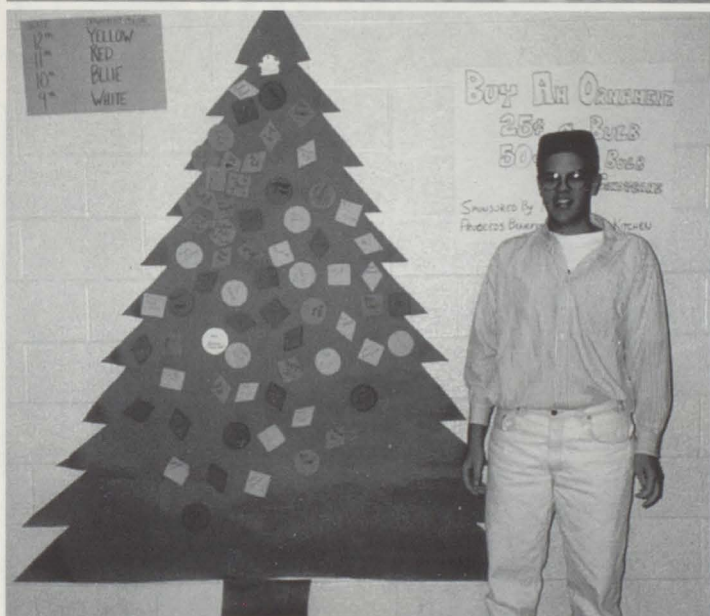

National Honor Society

Every year Marine City recognizes the people that have maintained good grades and are involved in extracurricular activities. These people must have a 3.3 or better for their grade point average and keep it there throughout the year. These people are members of the National Honor Society.

The National Honor Society devotes its time to fund raisers and other ways of helping people in the community. This year they sold "turkeys" for money to go towards feeding families for Thanksgiving. They also sold Christmas bulbs for twenty-five cents, and for fifty cents you also got a candy cane. All profits went toward the soup kitchen during Christmas time.

I'm sure there's a lot of people who would like to thank the NHS for making such a difference this year.

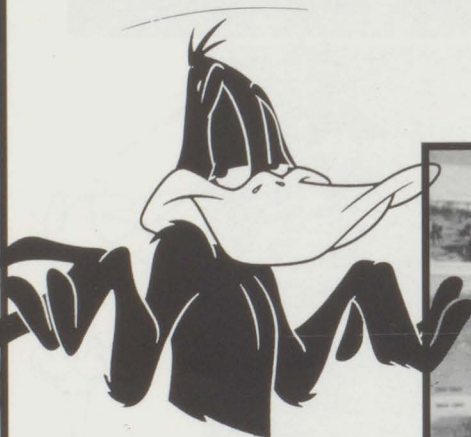

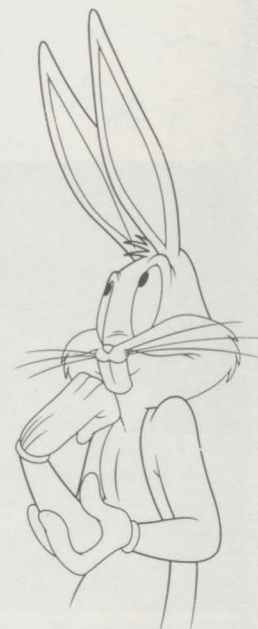

THE ANSWER IS . . .

Quizbowl

You can almost see the brain power as you walk into Quizbowl practice. The students are preparing for future meets by answering sample questions and studying various topics and current events. Both teams work very hard to bring honor to our school at district-wide meets. The teams also participate in two tournaments. Last year the varsity team ended their season fifth in the state. Coaches Mr. Homberg (Varsity) and Mrs. Christy (Junior Varsity) work hard to help their teams prepare.

COMING TO AMERICA

Student Exchange

Dressed for spirit week.

Olga shows us her smile.

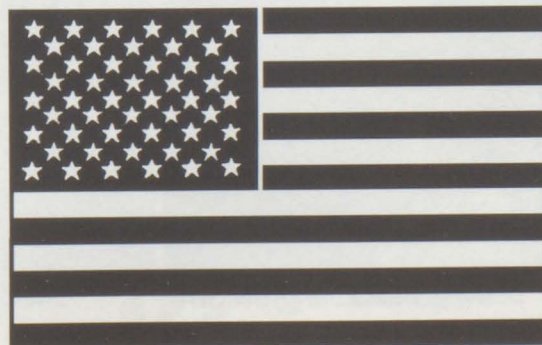

Kristian, Tonya, Olga, Carolina, and Yoshi.

Being an ocean apart from your friends, family and everything you are used to can be very difficult. This year we welcomed five exchange students: Olga Putistina from Murmansk, Russia; Tatyona (Tonya) Mescheryakova from Salavat, Russia; Carolina Burgada from Santander, Spain; Kristian Kamplade from Essen, Germany; and Yoshi Yoki Morikawa from Oskawa, Japan. Olga is staying with the Gardeners, Tonya is staying with Marsha and Paul Treusch, Carolina is staying with Jim and Carol Smith, Kristian is staying with Kirk and Janet Seibert and Yoshi is staying with the Wutchie's. All of the students are juniors and have found many adventures in America.

All of our exchange students like Marine City because it is small and quiet. They all found Homecoming to be new and exciting. They all thought the classes are different, but not difficult. However, U.S. History did not rank among the favorite classes. All of the exchange students found extracurricular activities to be involved in. Olga, Tonya, and Carolina are all in a driver's education class. Carolina is also in drama and plans to join softball in the spring. Yoshi plays JV football and is joining the swim team. Kristian and Tonya both plan to join tennis.

When the students return home in early summer, they will miss Marine City. They have grown fond of junk food and pizza, which is not as common in some of their countries. We hope they all enjoyed their stay here in America.

SPEAK!

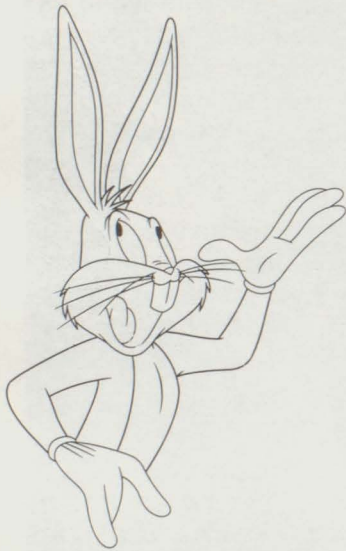

Forensics

Forensics is a speech and drama competition. There are two major categories that students can compete in: Public Speaking and Interpretation. The sub-categories for Public Speaking are: Sales, Informative Oratory (Persuasive), Extemporaneous, Impromptu, or Broadcasting. Under the Interpretations category is: Multiple Duo, Dramatic, Poetry and Storytelling.

The team travels to various other schools to compete. Everyone does a great job, and has fun. It is a very rewarding experience.

Surprise Carolina!

LEADERS OF TOMORROW

Erika Staskiewicz
Drum Major (Band)

Student Leaders

Being the Drum Major has taught Erika how to be a leader, and how to work with people. Her job is to lead the band parades, lead them on the field for the half-time show, and conduct the half-time music. She is responsible for learning whistle, hand and vocal command for parades. Erika is also a part of N.H.S. Student Government and is a member on the Swim Team and is a life guard. Erika is holding a 3.5 G.P.A.

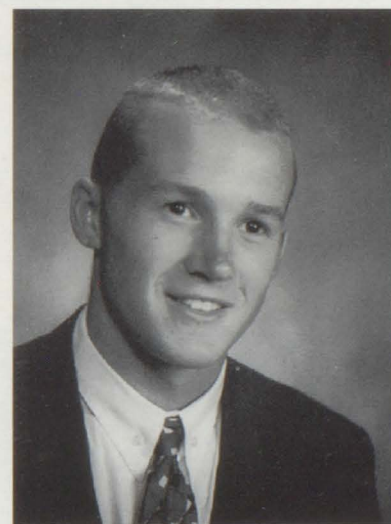

Diane Dupre
President of Student
Government

Being the President of Student Government has helped Diane learn responsibility and commitment to a group. As Student Government President, she is responsible for running all meetings. She is also a part of the Swim Team, Track Team, N.H.S. and Drama. Diane is holding a 3.5 G.P.A.

Jeff Gohl
Quiz Bowl Captain

As Captain of the Quiz Bowl Team, Jeff has learned to be open minded and to listen to what everyone has to say. It has also showed him how to work as a team and perfected his persuasion skills. The privileges Jeff receives as being a leader is that he receives a little more recognition than normal during Quiz Bowl season. His main responsibility is choosing an answer to give when he gets to work as a team on a question. Jeff is also active in Band, Business Professionals of America and N.H.S. He holds a 3.75 G.P.A.

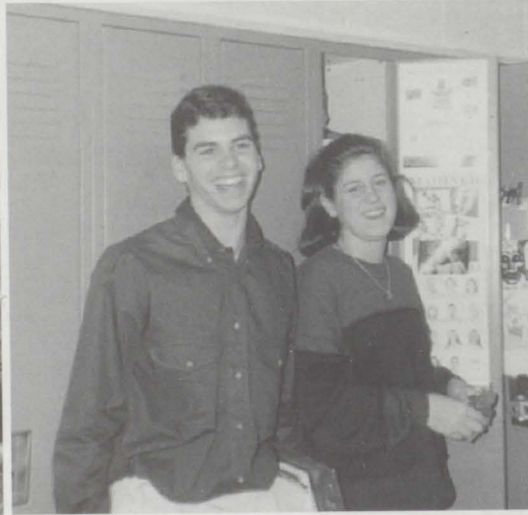

Shawn Collins
President of N.H.S.

Being the President of N.H.S. has allowed Shawn to get involved with helping the community and enabled him to interact with many people. The privileges that Shawn receives as being a student leader, is he is able to be a part of the decision-making and problem-solving processes that go on in the school. He organizes school activities, fundraisers and tries to get other students to be involved. Shawn is also involved in Varsity Football, Basketball, Track and he is the Senior Class President. He is holding a 3.95 G.P.A.

A Helping Hand

Teacher Aides

Teacher Aides come in handy for our hard working teachers. Teacher Aides have a lot of work to do, it isn't all fun and games. For some it might be. Here is a picture of Courtney and Shawn making fun jokes about being a T.A. It looks like Kelly Tucker is really excited about being Mr. Staskiewicz's T.A.

WORKING HARD TO SATISFY YEARBOOK STAFF

While in the process of producing the yearbook, the yearbook staff works hard to satisfy all the students who plan to buy it. Though they can't satisfy everyone, most students seem to think the yearbook isn't all that bad. For the yearbook staff that should be a confidence boost because they work on the yearbook during school, and most of the staff takes time out of their own time. Though some of this is hard work and takes time the yearbook staff enjoys doing this.

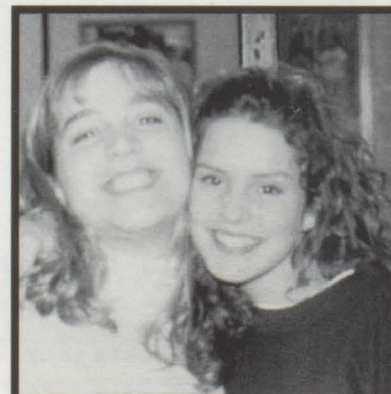

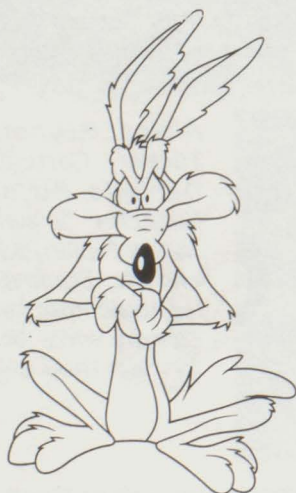

Alison Reynolds, Kelly Tucker, Corteny Senger, Danielle Buckley, Lisa Kilpacrik, Shawna Daniel, Jamie Austin, Jamie Smith and Mr. Bladow were willing to be interrupted with a camera while working hard to meet their deadline.

HEAD OF THE CLASS

Student Government

The student government is a great opportunity for our students. It helps them get ready for the future and the responsibility to be put upon them. They organize blood drives and give donations to many charities. The student government learn a lot of different skills that they bring back to share with us.

MEET ME IN ST. LOUIS

Drama

Meet me in St. Louis is one of those rare treasures; a homespun tale of fantastic proportions. The magic begins at the site of what is soon to be the St. Louis World's Fair of 1904. The Smith family, consisting of mother, father, four daughters, a son, Grandpa Prophater and Katie, the family cook, are gathered at Skinker Swamp to watch the ground breaking ceremony for the Fair. Excitement fills the air as what will surely be the greatest show ever.

The play was performed April 2, 3 1993. Mrs. Sue Bell and Mr. Bert VanDyke did a great job directing. Meet Me In St. Louis was an outstanding success.

KEEPING IN TUNE

Band

The Marine City Band has shown throughout the school year, as much dedication as any varsity sport. The band started their year early by going to a summer band camp to practice for football season. The band also participated in marching in parades, going to festivals, and many concerts and fund raisers through the year.

TRYIN' TO STAY ALIVE

Rock-A-Thon

This year the juniors held their annual Rock-A-Thon. The class of '95 had another great success, raising money for prom '94. The juniors had to rock for about 12 hours, with only a 5 minute break at every hour. Pretty tough, but the juniors did a great job. Mrs. Biebuyck is the class advisor. A generous Thank You goes to her for her help. All of the juniors will agree that the Rock-A-Thon was a lot of fun and worthwhile. Great job juniors.

CLASS MOTTO

"We always knew that looking back at the tears would make us laugh, but we never realized that looking back at the laughter would make us cry."

CLASS FLOWER

Whoever thought the class of '94 wouldn't make it to graduation has a rude awakening in store. This class was described as the worst, the loudest, and the most obnoxious when we first got to the high school. It didn't get much better as the years progressed. We did make it and we're more than ready to accept our diplomas and begin that long road to adulthood.

There is a lot of things to being a senior. You are as high as they come! You're the best! You get special advantages, like a parking lot all to yourself, you get out of school early, the unofficial senior skip day, and of course, your senior trip. All of these create memories.

As we finally get out of high school and into the real world our high school days are just going to be memories. Football games, basketball games, our senior prom. These are our last one's, then they're memories. These are and were the best days of our lives. Now we must grow up and face the real world. It'll be scary at first, but we'll show them what a success the class of '94 really is.

She has also been a member of the MCHS marching and concert bands for the past four years. Erin is active in the Student Government organization and she was elected Secretary of the National Honor Society during her senior year.

WE'VE GOT THE LEAD

Fall Varsity Cheerleaders

The Fall Varsity Cheerleaders proved that they could pull their strength together and lead the Mariners into victory. Their cries of "GO, FIGHT, WIN" have pulled our pep assemblies together and made them memorable. The team worked hard to bring us sensational skits and impressive dances. They also gave us a little bit of their spirit to everyone during our spirit week. All in all the cheers made at MCHS a great one!

GO FIGHT WIN

J.V. Cheerleading

The J.V. cheerleaders put forth a great show in supporting the J.V. football players in the effort to defeat their competitors. They worked hard to improve their skills while reaching toward their goals. This year's J.V. are all freshmen who put in many hours to stand up to their own standards.

Varsity Basketball

The 1993-94 Varsity Basketball team finished their season 15-5 and tied for second place in the S.C.A.L. They were lead by the seniors, but will be tough next year with the play of their underclassman. The team is very exciting with their long distance bombing and thrilled and chilled fans throughout the league with the fine display of shooting. They delighted the school when they put up 90 pts. against Cros-lex late in the season. Overall, this team will not be easily forgotten.

Senior Staff

Danelle Buckley —

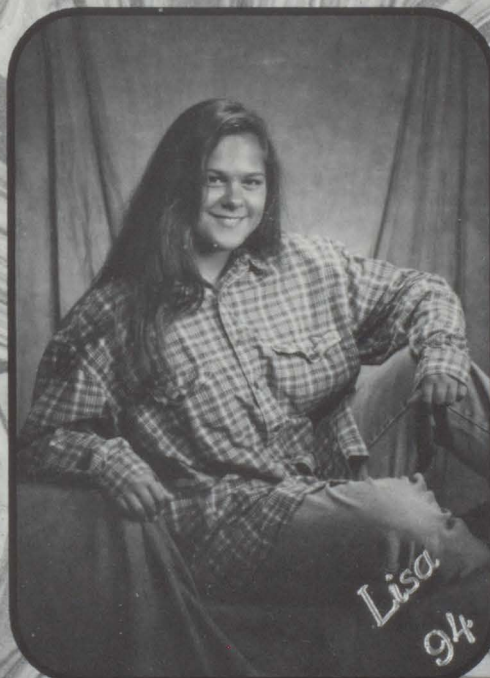

Being in yearbook has been a great experience. I have learned to meet deadlines, organize my time and be creative.

As the yearbook editor my senior year, I have learned to be much more responsible. It takes a tremendous amount of time and responsibility to organize a yearbook. I feel I have fulfilled my job as editor and by this experience I have become a better person. I have patience with people and know how to cooperate with people and their ideas. Yearbook is one aspect of my High School career that I have learned so much I will never forget.

Jeff Gutt —

This year's yearbook class was much more fun than last year because last year I didn't really care. Not that I really care this year, but it means more because it signifies our senior class. And in ten years when I look back through my yearbook, I will remember this class, the Class Of 94.

Lisa Kilpatrick —

Being a part of the yearbook class for the last two years has been fun and interesting. It was great being able to spend an hour working with friends, to put together something that had a little part of all of us in every page. Hopefully we helped you remember some of the good times you had this year. That's what we're here for.

Courtney Senger —

Being a part of the yearbook staff has taught me a lot about life. Over the past two years, I have learned about responsibilities, organizations, and most importantly, I have learned to work hard to meet deadlines while still enjoying the company of friends in the class. This past year, as Business Manager, I have worked ever harder hoping to make the class of 94's final yearbook the best one EVER!

Other Yearbook Staff Seniors include: Sara Acre, Shawna Daniel, Nichole Desrosiers, Justin Slater, Kelly Tucker and Heidi Weglarz.

Custodians

Custodians are a very important part of our school. You may not see them on a daily basis, but they are there. And although sometimes they may be hard to find, they are there when you need them. They open unopenable lockers and help you if you happen to lock your keys in your car. Who else would clear snow-covered parking lots before 7 a.m.? They also offer a friendly smile when you need one. These guys go beyond the call of duty and deserve more credit than they receive.

*Love,

Your family congratulates you on all of your accomplishments.

We admire your eagerness to compete and participate in the classroom and on the playing field.

We know you will continue to set high goals for yourself and will strive to meet those goals.

Love and Best Wishes

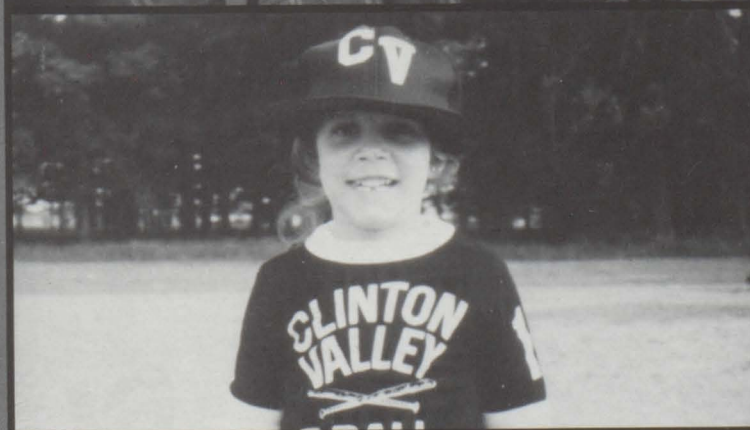

Dad, Mom and Craig

To Kimmi with Love,

*We can't believe it's now the time,
for your graduation rhyme.
The time went by so quick and fast,
and you had fun, in fact, a blast.
Yet worked so hard and did so great,
that in our minds, you really rate.
We were blessed not once but twice,
to have two daughters, loving and nice.
Tho different as the moon and sun,
Playing baseball, not dolls, trying for a home-run.
More times than you will ever know,
You've brought us joy as you did grow.
Into the beautiful person you are,
God Bless You as He takes you far.
And as you're preparing to leave the nest,
just keep trying to do your best.
But there's some things to keep in mind,
be honest, respectful, and most of all kind,
to people in places wherever you go,
For having good friends is great you know.
But your family will always be by your side,
to love you with hearts, bursting with pride.
And as friends come and go, wherever you roam,
Remember, WE LOVE YOU, and there's no place
like home.*

Love, Mom, Dad and Jill

*As a child you missed not a beat,
You kept yourself busy & us on our feet.
We stood by your side through the good & the bad,
But the hardest thing was seeing you sad.
Now our little girl who once was our baby,
Has blossomed into a beautiful young lady.*

LOVE, Mom and Dad

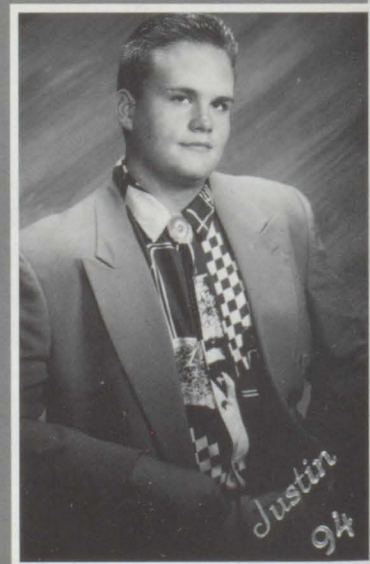

Melanie Perritt — Congratulations, Brat! We are very proud of you. You can make your dreams come true.

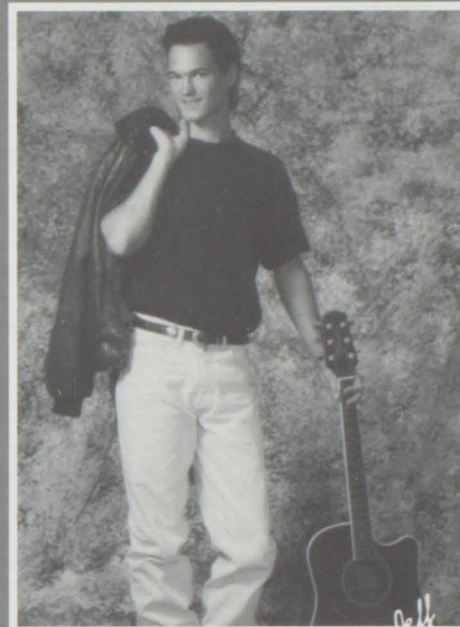

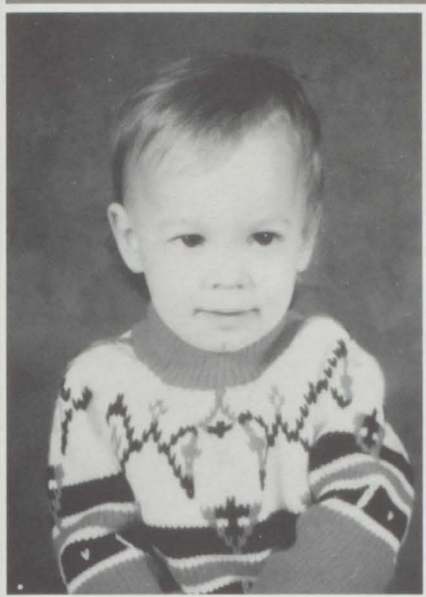

Love, Mom, Bob, & Joni

*Dear Justin,
May the good Lord be with you
down every road you roam.
May sunshine and happiness
surround you
when you're far from home.
May you grow to be proud,
dignified and true.
Do unto others as you'd have done
to you.
Be courageous and be brave,
and in our hearts you'll always
stay,
Forever Young.
May good fortune be with you,
may your guiding light be strong.
Build a stairway to heaven
be you prince of vagabond.
May you never love in vain,
and in our hearts you will remain
Forever young.
And when you finally fly away
we'll be hoping that we served you
well.
For all the wisdom of a lifetime
no one can ever tell.
But whatever road you chose,
we're right behind you
win or lose.
Forever Young!*

*With Love Forever and Ever,
Mom and Dad*

Well Jeff, it's hard to believe that you were once this shy and innocent! We are very proud of the person that you have become and all of your accomplishments. So, follow your heart and believe in your dreams. Use **all** of your talents and cherish every "Sweet Memory."

Love,
Dad & Shelley

Jeff,

Now that you are almost grown, I look back and ask myself —

Did I tell you all I meant to tell you or that I felt was important —

Did I tell you to be thoughtful, not to be a martyr or doormat to be tread upon —

But to be aware of other people and their needs —

To love not with a quick and passing love but with a love that is a quiet peace within your heart —

To be not afraid of the unknown but to live life to the fullest —

And did I tell you the challenge of being a man —

The need to be strong and the need to nurture —

Did I tell you these things as we went along the way?

If I did then I am grateful —

If I did not then you must choose for yourself —

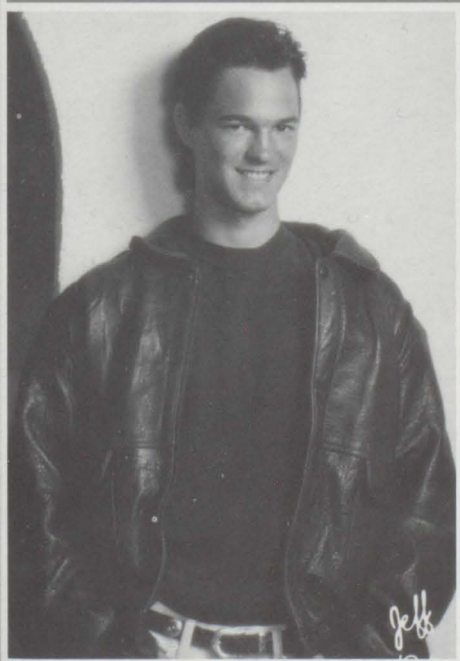

If it has meaning accept it and make it your own —

If it does not discard it —

Your life is yours to build as you choose —

And did I tell you I hope it will be a good life

Love,
Mom and Jim

Eric Kammer,

The real thing at last! We always knew you would make us proud. Set your goals high, YOU, will achieve them. Congratulations!

Turning, turning,
 You were shiny and new
 Tiniest of clothes and rosy cheeks too.
 Turning, turning,
 You were learning to walk
 Peels of laughter with a little talk
 Turning, turning,
 Off to school you went
 Highest of pigtails and innocent
 Turning, turning,
 It's the teenage years
 Dances, basketball and cars we fear
 Turning, turning,
 Off to college you go
 Our hopes, dreams and love you hold.
 Cherishing those memories,
 Mum, Dad & Kyle

*Thirteen years
How the time goes by
But not it is time
To give the real world a try.*

*As we all go off
On our separate ways
We will always remember
Our high school days*

*The friendships we've shared
Will stay close to our hearts
And I hate to see the way
When we have all grown apart.*

*When I think of the things
That we've accomplished together
We could easily say
No class could do better.*

*We've had some good laughs
To wipe away the tears
Although nothing could help mend
The tragedy of our Junior year.*

*We shared a special bond
And stood by one another
Through the toughest of times
When we needed each other.*

*I will remeber the memories,
I hope there are more
And I will never forget
The class of '94!*
